FROM THE  
**CHANCELLOR,**  
LANDMARK UNIVERSITY

**DR DAVID OYEDEPO, FNAE**

**RECONSTRUCTING DESTINIES**  
**-The Power of Exposure**

**A**s we set out to witness the beginning of what promises to be another great event *in the history of Landmark University*, it is my pleasure as Chancellor, to welcome you to a Royal Academy where Kings and Queens are raised. Landmark University was founded to provide a context where a self-reliant and solution-driven mentality is inculcated in our students. It is a place where human development issues are core and are inextricably woven into the academic curriculum. Our objective is to raise the awareness of our staff and students towards leadership and positive mentality. We lay emphasis on these for the enhancement of their self-worth and dignity.

Our Vision as a University is ***“to be a leading world class university, by spearheading an agrarian revolution on the African continent through the exploration of hidden treasures in the mother-earth thereby restoring the dignity of the black race.”*** Our commitment is to raise the modern day Josephs, Moses, Esthers, Nehemiahs of our great continent. Our mission is to empower students towards national reconstruction, reconciliation, socio-economic development and restoration of human dignity by driving a change philosophy via the vehicle of higher education.

Our disciplinary stance as a University is to guarantee the release of quality graduates at the end of their stay as students in this citadel of learning. The requirement of worthiness in character and learning in preparing solution-providing leadership for our continent and our nation is a task and therefore we will do all in our power as enabled by God to “tend”, “water” and “fertilize” the “gentle plant” that is symbolic of the Landmark student. However, we will also weed the 'suffocating tares' in this 'academic Garden of Eden'. We are committed to raising an army of Reformers.

According to George Washington, “Discipline is the soul of an army, making small numbers formidable procuring success to the weak and esteem to all”. We vow to maintain discipline as our watchword.

For you to maximize your adventure as a student of Landmark University, you must of necessity gain knowledge on how to get the right things done at the right time. This is because if one does not get exposed to the right ideas and values, one may find it difficult to excel. Excellence is a product of exposure. It is always a requirement that a man of purpose will maximize his adventure in life. Isaac Newton said, **“If I have seen any further, it is because I stood on the shoulders of those who went ahead of me”**. That is why no price will be too much to pay for exposure. Let us recognize fathers who have made marks in our field and go after them, so as to enhance our rate of accomplishment and worth.

Landmark University is a home away from home and in our *in-loco parentis* role, we speak and impact value on our students. As a centre of unlimited opportunities and possibilities, without proper exposure and alignments, a student will not maximize the benefits that the University offers.

In the light of the various challenges we face as a nation and continent, we are in dire need of world changers who will be changed through exposures to take charge of the destinies of men and make changes that they want to see happen. Landmark University is a centre where such men and women are groomed and that is why you must maximize the benefits of your studentship privilege. I am confident that you are indeed the chosen of

God to ensure that the fallen walls of our nation are rebuilt and made to stand upright! Make the best of your time at Landmark University and ensure that every day counts towards helping to actualize your vision of becoming a new generation leader that you were born to be.

Once again, I welcome you all to an exciting adventure at Landmark University – the birthplace of Kings and Queens of our new generation, a Royal Academy. It is my prayer that your great dreams will find absolute fulfillment as you go through our unique production line in the name of our Lord Jesus Christ, God bless you.

FROM THE  
**VICE- CHANCELLOR,**  
LANDMARK UNIVERSITY  
**PROF. KOLAWOLE O. AJANAKU**

I am delighted to welcome you to Landmark's dynamic academic community, commencing your journey of advanced learning and scholarly pursuit.

Our postgraduate programs, grounded in our faith-based principles, aim to provide a transformative experience, fostering intellectual curiosity and innovation. In this higher education realm, you are more than students; you are scholars, explorers, contributors to our institution's knowledge tapestry.

At our core are values of excellence, integrity, and spirituality. Our distinguished faculty, renowned for expertise, act as both educators and mentors, guiding you through the intricate realms of your chosen fields. Landmark's cutting-edge facilities and research centers stand ready as your laboratories of discovery, where groundbreaking ideas take shape.

As postgraduate scholars, you play a pivotal role in shaping our intellectual landscape. Your research will contribute to the expanding frontier of human knowledge, setting new benchmarks for excellence. Approach challenges with enthusiasm and tenacity, recognizing each

obstacle as an opportunity for growth.

Within the postgraduate brochure, find essential information for your academic journey—details on programs, campus resources, and support services. Familiarize yourself with the wealth of opportunities awaiting you, academically, personally, and spiritually.

Remember, your purpose extends beyond acquiring knowledge; you are here to actively contribute to our community of scholars. Engage in meaningful dialogues, collaborate with peers, and seize every opportunity for personal, intellectual, and spiritual growth. Landmark is not just a place of study; it's a dynamic ecosystem where ideas flourish, and aspirations take flight to address contemporary challenges.

Make the most of your time, relish intellectual challenges, form lasting connections, and leave an indelible mark on Landmark's academic legacy. Together, let's create an environment where learning knows no bounds, empowering each student to reach their fullest potential.

FROM THE  
**REGISTRAR,**  
LANDMARK UNIVERSITY  
**ENGR. ADEBAYO AJALA**

*Continuous learning is the minimum requirement for success in any field.” — Brian Tracy*

**I**n the dynamic landscape of higher education, postgraduate schools play a pivotal role in shaping the future leaders and experts in various fields. To ensure a coherent and purposeful journey for both the institution and its students, establishing clear organizational goals and vision becomes imperative.

Landmark University is poised at becoming “a world class university by spearheading an agrarian revolution on the African continent through the exploration of hidden treasures in the mother-earth thereby restoring the dignity of the black race.”

In its quest to attain this compelling Vision, it also runs with a Departure Philosophy that challenges the status quo and dares to do things differently from the acceptable norms.

However, neither the Vision nor the Departure Philosophy can be actualized outside a platform that creates the requisite ambience for qualitative research and resourceful contribution to the Body of Knowledge; amongst others.

The kick off of Landmark University Postgraduate School during the 2018/2019 Academic Session is out to consummate our quest for global placement. Fostering a culture of academic excellence is paramount. This goal involves maintaining high standards of teaching, research, and scholarly activities. Facilitating global exposure and collaboration is vital for preparing students to navigate an interconnected world. This involves fostering international partnerships, promoting exchange programs, and integrating global perspectives into the curriculum. Instilling ethical values and leadership qualities in students is crucial. Emphasizing integrity, social responsibility, and inclusivity in academic and extracurricular activities contributes to the development of well-rounded individuals. With a serene campus, well-equipped laboratories, 24-hour internet and power supply, up-to-date and well-stocked physical and electronic library and many others; the stage is set for a fruitful and rewarding postgraduate academic experience in Landmark University Postgraduate School. This is aside a stable academic calendar that the School operates; and its strategic, pocket-friendly, staggered school fee payment plan.

Despite its young age, the fast growing Landmark University Postgraduate School is daily setting the pace in different areas and is definitely the Postgraduate School to watch out for. Let me therefore seize this opportunity to entreat your subscription into this fast rising, impact making School as you begin to consider a place for your postgraduate studies.

FROM THE  
**DEAN,**  
SCHOOL OF POSTGRADUATE STUDIES  
**PROF. ENOCH O. OYAWOYE**

I am extremely happy and excited to welcome you to the School of Postgraduate Studies (SPS), of the amazing Landmark University (LMU), Omu-Aran, Kwara State, Nigeria. It is a pleasure to have you partner with this great University using the Postgraduate studies platform in LMU. We aim to extend your frontiers of knowledge as you develop your academic skills in your chosen field of learning. The Postgraduate School is the engine room of research in a university and the emphasis at Landmark University is research for development. We deliberately tailor our research efforts towards the seventeen (17) Sustainable Development Goals (SDG) of the United Nations.

Our Postgraduate students undergo academic and research training to fully equip them in knowledge, research skills, and strong spiritual base to be globally competitive in the world market and to become employers of labour in diverse areas of their expertise. Our academic Programmes are designed to foster real life experimental research which inculcate critical and creative thinking leading to the deployment of research findings beyond the shelf but translational to

solving the problems of hunger and poverty in the nations of Africa.

Our Postgraduate School has a strategically structured academic calendar that guarantees a seamless start and finish schedule without delay. We are proud to let you know that the school has a scroll of high profile faculty with international stint who are capable of engaging the students using latest state of the art equipment, first class laboratories, experimental fields and facilities that are productively engaged in innovative research and training. Our teaching and research methodology follow international standards that takes postgraduate projects/ dissertations/thesis beyond the shelves. We have academic linkages which provide opportunities for our students to apply for grants and scholarship opportunities for bench work and other research endeavours outside the shores of Nigeria. We have platforms for mentoring our students through interactions with quality Supervisors who are dedicated, committed and resourceful for quality output..

We are focussed on attaining global heights and we believe in learning and relearning for the development of expertise. We recognize that linkages and collaborations are sustainable pathways for reaching out and making impact in our environment. We therefore have resource oriented collaborations and capacity building relationships with reputable organizations such as International Institute of Tropical Agriculture (IITA), National Space Research and Development Agency (NASRDA), Federal Institute of Industrial Research, Oshodi (FIIRO), Nigerian Institute for Oil Palm Research (NIFOR), National Centre for Agricultural Mechanization (NCAM) and many more. Our academic Programmes are well structured to support and drive these collaborations. These linkages are deliberate and intentional to create the platform that expose our students to a holistic academic lifestyle in the society, industry and organization.

Currently, not less than twenty one (21) academic programmes are

approved by the National Universities Commission (NUC) in the School of Postgraduate Studies at the amazing Landmark University. These Programmes cover Postgraduate Diploma (PGD), Masters (M.Sc., MBA, M.Eng) and Doctor of Philosophy (Ph.D.). The Programmes contain carefully crafted Course Synopsis which are taught under most conducive Classrooms, Laboratories and Field learning ambience. Further readings and instructions are made available in our well-equipped Centre for Learning Resources (CLR) or Library, which provides up to date virtual and shelf stocked learning materials.

Landmark University is managed by a strong Proprietor base ably led by the Chancellor, Dr. David O. Oyedepo. The Vice-Chancellor, Prof. Kolawole Ajanaku provides directives for the twelve (12) man School of Postgraduate Studies Board members who co-ordinate the activities of the school.

Our environment is very conducive to teaching, learning and research and our campus is serene and evergreen typifying the Agricultural revolution mandate of the University. I am happy to inform you that you made the right choice of a university to further your education and assure you that all things are ready to make you a solution provider to your generation. You are welcome to Landmark University as you begin your voyage of discovery of new knowledge. You will receive sound quality higher education with the fear of God at the amazing Landmark University.

Finally, on behalf of the University management, I welcome you wholeheartedly to Landmark University School of Postgraduate Studies.

# VISION AND MISSION STATEMENTS

## OUR VISION

To become a world-class School of Postgraduate Studies, vigorously pursuing translational research in line with Landmark University vision by raising world-class leaders, using new frontiers in teaching, research, entrepreneurial and agrarian revolution methodologies to service humanity.

## OUR MISSION

1. To produce quality postgraduates, equipped with sound spiritual, academic and research acumen for innovations that will translate and transform the environment thereby providing solutions to the needs of the blackrace and other nations in the world.
2. Raising front-liners in innovative skills using cost effective materials to transform and translate human environment with cutting-edgeresearch innovations.
3. Raising intellectual human capacities that will fill the gap in training and skill acquisition capacities towards enriching global manpower pool for impact.

# POSTGRADUATE PROGRAMS AND ADMISSION REQUIREMENTS

## DOCTORAL (PHD) DEGREE

Admissions into any of the Doctoral programmes are available to any graduate of Landmark University, or graduate of any other University recognized by the Landmark University Senate/ National University Commission (NUC), who possesses a Master's degree relevant to the intended programme.

However, such intending candidate should have scored:

- i. An average of at least 60% **OR** minimum 3.5 CGPA (on a scale of 5.0) in his/her Master's degree programme.
- ii. Between 55% - 59% to qualify for M.Phil/PhD.

### **Course Duration:**

Duration for a PhD degree programme is a minimum period of six (6) semesters and a maximum period of ten (10) semesters for full-time candidates.

Relevant Courses are to be taken for the PhD studies, a Thesis and publications\* in Landmark University acceptable outlets are required for graduation at the end of the PhD programme.

**NOTE:** An M.Phil./PhD candidate will only proceed on a PhD programme having scored a minimum weighted average of 60%. Otherwise, the candidate repeats M.Phil/PhD or withdraws.

## MASTER'S DEGREE

Admissions into any of the Master's Degree programmes are available to any graduate of Landmark University and any other University recognized by the Landmark University Senate/(NUC), who possesses the following requirements.

At least a minimum of:

- (i) Second Class Lower Honours Degree in relevant discipline.
- (ii) Third-Class Bachelor's degree/ HND and a minimum of upper credit pass in PGD. Candidate must also possess cognate industrial experience for admissions into a Master's programme.

### **Course Duration:**

Duration for a Master's degree programme is a minimum period of three (3) semesters and a maximum period of six (6) semesters for full-time candidates. Relevant Courses will be taken for the Master Degree studies. A Dissertation and publications\* in Landmark University acceptable outlets are required for graduation at the end of the programme.

## DIPLOMA (PGD)

Admissions into any of the Postgraduate Diploma programmes are available to any graduate of Landmark University, or any other Tertiary Institution recognized by the Landmark University Senate/(NUC), who possesses the following requirements.

- (i) Five (5) credit passes including English, Mathematics and three other relevant subjects at 'O' levels
- (ii) Candidates with Bachelor's degree from an approved University must obtain a minimum of Third Class in relevant discipline.
- (iii) Holders of HND in relevant programmes from approved institutions with a minimum of Lower Credit pass.

### **Course Duration:**

Duration for a Postgraduate Diploma Programme is a minimum period of two (2) semesters and a maximum period of four (4) semesters for

full-time candidates. A part-time candidate will, however, spend a minimum period of four (4) semesters and a maximum period of six (6) Semesters. However, for Engineering programmes, a minimum of four (4) semesters and maximum of six (6) semesters for full time and a minimum of six (6) semesters and eight (8) semesters for part-time.

A Dissertation and publications\* in Landmark University acceptable outlets are required for graduation at the end of the programme.

## **GENERAL ADMISSION SCREENING PROTOCOL**

Landmark University conducts qualifying entrance screening for all Applicants as follows:

### **a. Master's/ PGD Candidate**

- (i) Computer-based test (CBT)
- (ii) Departmental written test/oral chat

### **b. Doctoral Candidate**

- (i) Departmental oral chat

# COLLEGE OF AGRICULTURAL SCIENCES

**DR. OLUBUNMI O. ALABI**  
(COLLEGE DEAN)

## OUR VISION

Our vision is to become a world-class College of Agricultural Sciences where future specialists in the field of Agriculture are raised as trainers and researchers of high repute.

---

## PROGRAMMES

Agricultural Economics  
Agricultural Extension and Rural Development  
Animal Science  
Crop and Soil Science

---

## APPROVED DEGREE

PGD, M.Sc, PhD (Agricultural Economics)  
PGD, M.Sc, PhD (Agricultural Extension and Rural Development)  
PGD, M.Sc, PhD Animal Science  
PGD, M.Sc, PhD Crop  
PGD, M.Sc, PhD Soil Science

---

## RESEARCH MANDATE

To improve the standard of living of our contact populace by providing research outputs that are adoptable and affordable to agricultural challenges facing the black race thereby ensuring food security in Nigeria, Africa and the world in general.

---

## ESTABLISHED INSTITUTIONAL LINKAGES/ COLLABORATION

**FUNAAB** – Federal University of Agriculture, Abeokuta.

**IITA**- International Institute of Tropical Agriculture.

**NIFOR** – Nigerian Institute of Oil Palm Research.

**NCAM** – National Centre for Agricultural Mechanization.

**FIRO**- Federal Institute of Industrial Research

**NCR**- National Cereals Research Institute I

**ARMTI** – Agricultural and Rural Management Training Institute.

## INDUSTRIAL SYNERGY

Academic research and industry collaboration being essential for national development, the College through her postgraduate programmes is focusing on demand derived research by providing solutions to identified problems in the agricultural-based industry.

## AGRICULTURAL / COMMUNITY DEVELOPMENT

The tripod stand of a University is teaching, research and community service. A town-gown relationship has been fostered through Farm-field day events, transmission of research products to farmers through Agricultural Extensionists, organizing of workshop on weed and pest control, provision of tractor hiring services for pre- and post-planting operations, and provision of consultancy services to agribusiness enterprises.

# COLLEGE OF ENGINEERING

**PROF. EMMANUEL SUNDAY AJISEGIRI**  
(COLLEGE DEAN)

## PROGRAMMES

The following programmes were fully approved by NUC for Postgraduate degrees

- Agricultural Engineering (PGD, M.Eng., M.Phil., PhD)
- Chemical Engineering (PGD, M.Eng, PhD)
- Civil Engineering (PGD., M.Eng., PhD)
- Electrical & Information Engineering (M.Eng., PhD)
- Mechanical Engineering (PGD, M.Eng, PhD)

## ESTABLISHED INSTITUTIONAL LINKAGES/ COLLABORATION

Nigerian Society of Engineers  
Council for the Regulation of Engineering in Nigeria (COREN)  
Nigerian Institute of Mechanical Engineers  
Nigerian Society of Chemical Engineers (NSChE)  
Nigerian Institute of Agricultural Engineers  
Nigerian Institute of Civil Engineers, NICE  
Nigerian Institute of Electrical and Electronic Engineers  
Covenant University

# COLLEGE OF PURE & APPLIED SCIENCES

**PROFESSOR A. A. ADEBIYI**  
(COLLEGE DEAN)

## OUR VISION

To produce highly valued solution providers to diverse community, economic, developmental, and food challenges through research, life-applicable teaching, hands-on practical training and enjoyable learning experience. Propagate the development of Sciences applications to technology toward attainment of strategic Sustainable Development Goals (SDGs).

## PROGRAMMES

The following programmes were fully approved by NUC for Postgraduate degrees in the College

- Industrial Physics (M.Sc, PhD)
- Mathematics (M.Sc, PhD)
- Industrial Chemistry (PGD, M.Sc, PhD)
- Computer Science (M.Sc, PhD)
- Microbiology (PGD, M.Sc, M.Phil., PhD)
- Biochemistry (PGD, M.Sc, M.Phil., PhD)

## RESEARCH MANDATE

The college research mandate is inclined to partner with global Sustainable Development Goals (SDGs). It is mostly focused on 5 of the SDGs that include zero hunger, affordable clean energy, clean water and sanitation, climate action, good health and wellbeing. The college is also committed to the vision of the University on Scopus publication and global visibility drives.

**ESTABLISHED  
INSTITUTIONAL  
LINKAGES/  
COLLABORATION**

International Foundation for Science (IFS)  
Research  
Covenant University

# COLLEGE OF BUSINESS & SOCIAL SCIENCES

**DR. EGBEIDE BEN-CALEB**  
(COLLEGE DEAN)

## OUR VISION

The College is dedicated to raising a new generation of researchers who will take the lead in proffering solution to the battered image of the black race and restoring its lost glory by equipping them with the requisite skills in agripreneurship, leadership and scholarship for this purpose.

---

## PROGRAMMES

The following programmes were fully approved by NUC for Postgraduate degrees in the College

- Accounting
- Banking and finance
- Business Administration
- Economics
- International Relations
- Political Science
- Sociology

---

## RESEARCH MANDATE

Research is the key business and driver of the College as it is the basis of University education. In Landmark University, our research focus is agriculture which is in line with our vision. The College promotes scholarly research on both local and international problems and encourages both Faculty and her students to publish their research outputs in high impact journals which are indexed in Scopus.

## ESTABLISHED INSTITUTIONAL LINKAGES/ COLLABORATION

The Collage among other has collaboration with the following professional bodies;

**Association of Chartered Certified Accountants (ACCA)**

**Institute of Chartered Accountants of Nigeria (ICAN)**

**Nigerian Institute of Management (NIM)**

**Chartered Institute of Bankers of Nigeria (CIBN)**

**Nigerian Anthropological & Sociological Association (NASA)**

**Nigerian Political Science Association**

**Covenant University**

## AGRICULTURAL / COMMUNITY DEVELOPMENT

Community development is an important focus of Universities. The College is very proactive in developing programmes and structures that will deliver the highest possible dividends to the immediate community and environs and thus impact on their development. In addition to contributing to the wider community impact initiatives of the University, at the College, through its faculty members, is involved in different forms of community development services.

- ❖ Sensitized every student to actively

## AGRICULTURAL / COMMUNITY DEVELOPMENT

participate and show passion for agriculture

- ❖ Help to carry out business analysis of farm and other agricultural activities of the University.

Help to support the community in the adoption of modern farm techniques that can boost agricultural output, maximize gender equality, social health and staying safe, increase income and reduce poverty

# LANDMARK UNIVERSITY POSTGRADUATE STUDIES ADMISSION STEPS

## School Fees Installment Payment Protocol

- i. 50% at Registration/Resumption
- ii. 30% before Alpha Semester Examination
- iii. 20% at the commencement of Omega Semester

<b>START</b>
